

# THE ROAD-BOOK TO JOIN US

*Times of drive are estimated and depending on the traffic.*

## GOOD TO KNOW

To get to the hotel, you will have to follow the signs **HORA**, **CHORA** or **KYTHIRA**, which all shows the road to the capital of the island.

The road network of the island is asphalted and in a rather good state. Nevertheless, there is no speedway. Roads are usually sinuous and narrows. We advise you to drive carefully. But distances are not so important in Kythira and you will quickly reach your visit points.

Access to city center of Chora is strictly regulated and forbidden to cars (except for Kythirian inhabitants and delivery). However, you will park easily in the large parking lot at the entrance of Chora, located at about 300 yards of the Hotel. A pleasant five-minute walk through the picturesque streets of the village will bring you to the Hotel Margarita.
